

NEW MEMBER BENEFIT

The Tompkins County Bar Association is pleased to announce a new benefit for our members. With the push towards electronic filing and paperless processes – we are adding a new member benefit to our CLE program that will improve the value to you of our local CLE programming. Beginning with the February 27th Employment Law Update CLE – we will begin transitioning to a **pre-registration** and **paperless** CLE program process.

The major benefits of the paperless pre-registration process are:

- Your CLE certificate for each program you attend will be available for you to pick up the day of the program as you exit the conference room.
- Pre-registered attendees will have an electronic copy (searchable .pdf format) of the program materials made available 2 days in advance of the program. You can download materials to your “tech-toy” of choice to bring to the program with you as well as saving the electronic version of materials to your office computer for future convenient and easily searchable use.
- Programs will be scheduled 3 months in advance and a quarterly program list will be on our website thus allowing you to manage your calendar a little better to ensure you have opportunity to take advantage of our all of our local CLE programming.
- Individual program notices will go directly to your in-box 3-4 weeks in advance of each scheduled program. You will also receive regular CLE reminders for each upcoming individual program so that you don’t inadvertently miss that program you really wanted to attend.
- In the event you have mis-placed a CLE certificate for a past program – a quick email to the standard pre-registration email (currently being set up) will get you a new certificate with a very quick turn-around time.

The February CLE program is our transitional program – so will be a combination of the “old” & the “new”. We anticipate being fully transitioned to this new process over the next couple of program months and predict that you will find this new process convenient, easy and very beneficial.

Should you have any questions regarding the benefits of our new CLE process please contact us at info@tompkinsbar.com. We have a great CLE year coming up and look forward to seeing you there!
